PAYMENT PLAN/PAY AS WE BUILD

- 1 Select the guitar model
- 2 Let us know the specifications you want for your build
- 3 We'll quote your guitar to your dream spec and advise a minimum build time
- 4 You can select to have the guitar built in the lead time quoted or a longer time scale to suit your budget
- 5 We'll confirm full specification in writing and time scales/costs agreed
- 6 Initially a 30% deposit will be required before any work commences
- 7 The balance of the cost will be split over the agreed build time in regular monthly payments
- 8 The final payment being due before shipping the guitar

The guitar will remain the property of Grainger Guitars until full payment has been received, no refunds are possible for guitars already undergoing the build process, build progress will stop should the agreed payment dates be missed
